

Feature Story:

Second Fridge Stealing Your Money? Turn It In, Get \$30

Are you running two refrigerators or freezers in your home? Chances are that older second refrigerator or freezer in your basement or garage is running up your utility bills by an average of \$150 a year.

So think about it, recycle it, and reward yourself \$30 for doing the right thing. NHSaves is making it easier for you to lower your energy use, reduce your energy bill and protect the environment by keeping harmful materials out of the landfills. Recycle your old fridge or freezer today – they'll pick it up for free and you'll pick up \$30!

NHSaves is a collaboration of New Hampshire's electric utilities working with the NH Public Utilities Commission and other interested parties to provide New Hampshire residents with information, programs and support designed to reduce energy use, save money and protect our environment.

To schedule your free pickup, call 1-877-545-4113 or visit www.nhsaves.com. This offer is good for a limited time only and funds will be awarded on a first-come, first-served basis.

Act Now for Home Performance Energy Rebates

Make your home an ENERGY STAR performer with efficiency rebates up to \$4,000. The Home Performance with ENERGY STAR program provides rebates for energy efficiency improvements on houses that use all types of fuel to heat. Co-op members can receive rebates on 50% of the recommended energy efficiency improvements up to \$4,000. To help cover the rest of members' out-of-pocket expenses, an interest-free revolving loan program is available to qualified members. Typical measures include:

- Air sealing
- Hot water measures
- Insulation
- Lighting upgrades
- Programmable thermostats
- Health and safety measures

For complete program details, call 800-698-2007, or visit www.nhec.coop

CO-OP MEMBER DISCOUNT

NOTICE: Disposal of Fleet & Equipment

New Hampshire Electric Cooperative (NHEC) is preparing to offer for bid vehicles and equipment that are ready for disposition. This bid offering is being made available to the membership, Co-op employees and retirees with the disposal process and listing of vehicles as follows.

Member Solutions representatives cannot answer questions regarding vehicles and equipment being disposed. All questions will be answered during the two vehicle and equipment viewing dates listed.

Bid sheets for submitting bids can be picked up at the viewings. A separate sheet for each vehicle bid must be submitted. Sealed bids are due by the end of the workday (4:30 p.m.) Thursday, October 20, 2011. Bid openings and awarding of bids will take place Friday, October 21, 2011. Vehicles are sold "As Is" and "Where Is" without warranties of any kind whatsoever. NHEC reserves the right to reject any and all bids.

Payment must be made and vehicle(s) removed by Friday, October 28, 2011. Payment will only be accepted in the form of cash, certified check, or bank draft.

Viewing dates and times:

October 12, 2011, 9 a.m. to 6 p.m. ; October 13, 2011, 9 a.m. to 6 p.m

Bids due:

October 20, 2011 4:30 p.m.

Bid openings and awards:

October 21, 2011

Vehicle/Equipment removal:

No later than October 28, 2011

Vehicle viewing location:

NHEC Vehicle Maintenance Facility: 533 Tenney Mountain Hwy., Plymouth, NH

Tentative list of vehicles and equipment for October disposal includes:

- (1) 1994 IHC 4900, 50 ft. material handling boom
- (1) 1996 IHC 4900, 50 ft. material handling boom

- (1) 2005 Chevy K2500 reg. cab pickup
- (1) 2002 Dodge Dakota 4x4 reg. cab pickup
- (1) 2002 Dodge Dakota 4x4 x-cab pickup
- (1) 2004 Chevy Colorado 4x4 reg. pickup
- (1) 2003 Jeep Laredo 4x4 4 door
- (1) 2004 Ford Taurus wagon
- (1) 2004 Chevy Impala 4 door
- (1) 2002 Chevy Impala 4 door
- (1) 2002 Toyota Prius 4 door
- (1) 1999 Ford F-450 4x2 rack body

Go Green With Co-op Renewable Choice

Enroll in Co-op Renewable Choice and purchase blocks of homegrown renewable energy for a small monthly fee. The amount collected will be used by NHEC to purchase Renewable Energy Certificates (RECs), which support the production of renewable energy at facilities such as the Lempster Wind Power Project, Beaver Ridge Wind Farm and the Colebrook Municipal Landfill - all of which generate renewable energy that is purchased by NHEC for use by its members.

The fee for each 'block' is three dollars (\$3). Each block represents 100 kilowatt hours worth of renewable energy attributes. You can purchase as many blocks as you wish. The number of blocks purchased will be billed monthly and appear as "CO-OP RENEW CHOICE" on your electric service bill.

I would like to purchase the following number of blocks:

Please specify # of blocks _____

Dollars per month (\$3 per block) _____

First Name _____ Last Name _____

NHEC Acct # (10 digits) _____

Daytime Phone _____

Your signature below authorizes NHEC to add the amount indicated above to your monthly electric service bill. This fee will be applied each month until you notify NHEC otherwise.

Signature: _____ Date: _____

*Please clip and return with your bill payment, or mail to:
NHEC, 579 Tenney Mountain Highway, Plymouth, NH 03264*
