

New Hampshire Electric Cooperative Sense Rebate Program

Terms and Conditions

By participating in this program, you agree to the following terms and conditions. For more information, please email solutions@nhec.com.

REBATE OFFER

This offer is valid for purchases completed between September 17, 2021 and December 31, 2022. Funds for this program are limited and available on a first-come-first serve basis.

REBATE AMOUNT

Each New Hampshire Electric Cooperative account is eligible for one (1) purchase of a Sense at the promotional price. An additional \$75 rebate is available, after installation, by submitting an NHEC rebate application at <https://www.nhec.com/sense/> by December 31, 2022. Sense must be installed at the NHEC service location to qualify for the NHEC rebate. To be eligible for the NHEC rebate, Sense must be purchased under the promotional pricing available through this program offer.

MONITORING OF ELECTRIC USAGE

To participate in the program, you will be asked to give Sense permission to release your electric usage to New Hampshire Electric Cooperative. (Please note that New Hampshire Electric Cooperative already has access to your overall whole-house electric usage through our existing metering system, which will continue to serve as the basis for monthly account statements.)

PROGRAM MODIFICATION/TERMINATION

New Hampshire Electric Cooperative reserves the right to revise program requirements, incentives, or to terminate the program at will without prior notice. Termination, modification, or suspension may affect a participant's ability to

redeem rebates. The program will automatically end by December 31, 2022 or when allocated funds have been disbursed, whichever comes first.

PROGRAM ELIGIBILITY

To be eligible, you must be a New Hampshire Electric Cooperative member on a residential, basic single phase account. The program is open to both new construction and existing single and multiple-family homes, condominium units, mobile homes, and apartments. Only one promotional purchase and rebate is allowed per email address. Sense will only ship to a New Hampshire mailing address.

USE OF THE NEW HAMPSHIRE ELECTRIC COOPERATIVE LOGO

New Hampshire Electric Cooperative members or contractors may not use the New Hampshire Electric Cooperative logo in any marketing, advertising, or promotional materials without expressed written consent.

DISCLAIMER

New Hampshire Electric Cooperative cannot guarantee device manufacturer claims of energy or cost savings, nor can we guarantee that participating in this program will lead to energy and cost savings. These savings are affected by factors such as weather, usage patterns, and house size, occupancy and occupant behaviors, which are out of New Hampshire Electric Cooperative's control.

INDEMNIFICATION

Participants shall indemnify New Hampshire Electric Cooperative and associated staff against any and all losses, damages, expenses, fees, costs and liability arising from equipment purchase, installation and participation in the program.
