Print Name: _____ Date: _____

STEP 2 - NET METERING INTERCONNECTION-FACILITY COMPLETION FORM
CONTIUNED

To be completed by Applicant/Member

Applicant agrees to install and operate the system in accordance with NHEC's Terms & Conditions and provide NHEC a written update if any changes or additions occur including property transfer of ownership.

I hereby certify that, to the best of my knowledge, all the information provided in this document is true and correct.

Signature of NHEC Applicant: _____ Date: _____

Once NHEC receives **Step 2 - Net Metering Interconnection-Facility Completion Form**, an NHEC representative will schedule a date for a site visit to verify the installation, install meters, and perform a utility witness test.

To be completed by NHEC – INTERCONNECTION-FACILITY INSPECTION AND WITNESS TEST:

- Installation is installed as specified in **Step 1 - Net Metering Interconnection-Facility Application Form**
- Utility Load Break (Witness) Test has been successfully completed.
- NHEC Inspection and Interconnection has been completed by:

Signature: _____

Print Name: _____ Date: _____

The Interconnection-Facility has permission to operate with Net Metering.

In the event there are conditions preventing safe interconnection and proper interconnection operation, NHEC will notify the member. The member may not interconnect or initiate system operation until such conditions are corrected and written notification has been provided to NHEC at least 10 days in advance of interconnection or parallel operation.
